

MALO LARGE PARTY BOOKING

Malo is a basement wine & negroni bar just a few minutes from Central Station.

We have a fabulous semiprivate tasting room that is available to hire for drinks parties, curated wine tastings or any other occasion.

Below are a few images and details of what we offer, but we are very happy to look at bespoke packages as well.

The room is set up here for a Loire Valley wine tasting hosted by the wine maker.

Drinks booking

- The tasting room can be booked for between 20-40 people. We can accommodate larger parties but 40 is the maximum for the tasting room. We can also accommodate parties over 40 without it being an exclusive hire.
- We can offer the full menu or clipped version with one tab running all night. You would have a dedicated team member to always look after you.
- We can offer a welcome drink package, for example:
a glass of cava / draught beer / glass house wine @ £7 per head
This would be for one drink per person. If you want this to be 2 drinks, then it would be £14 and so on.
We can offer a wide range of packages, and the price would vary depending on the drinks selected.
After that, the guests would pay for their own drinks.
- We can offer a buffet table of cheese, charcuterie, focaccia & snacks from £10 per head.
- We require a credit card to hold the reservation.

Exclusive bookings

- Malo can hold up to 100 seated or 200 standing for an exclusive private hire.
- For exclusive hire we charge what the bar would typically take in that day. A Monday would be cheaper than a Saturday, for example.
A Saturday exclusive hire would be approximately £9000. This would be the opening tab for the party and as they eat and drink, the tab would deplete.
- We can offer a buffet table of cheese, charcuterie, focaccia & snacks from £10 per head.
- We are also happy to allow external caterers to come in as well.
- We take a 25% deposit to make the reservation

Wine Tasting

- Our wine tasting room can host 25 seated and 35 standing for a hosted wine tasting. We can offer larger numbers but will need to use the bar space to accommodate.
- The 'This is Malo' tasting starts at £45 per person
This includes, welcome fizz, 5 wines with cheese and snacks.
- We can do more bespoke packages as well
